May Jm Phillips

Panama City Fla

Dear Major,

Your favor
just received regarding
construction of Camp
building - Panama City.
I was around to see
Mr Krause the Architect
to look over plans &
specifications.

I can build same for
(2825⁰⁰) Twenty Eight Hundred
& Twenty five dollars.

As, I have done considerable
work of this kind for
you - it is useless
to add, should I get
the building, that the
work will be done
right -

Please let me hear
from you as soon
as possible. Very Oblige.

Yrs truly
J. B. Farwell
